THE FAIRLIE 110

INTRODUCING THE FLAGSHIP OF THIS MODERN CLASSIC RANGE - THE FAIRLIE 110

Drawing inspiration from the legendary designer William Fife and his most awe inspiring Big Class yachts, Fairlie have created a definitive 'spirit of tradition' classic yacht. A pedigree yacht which retains historic features from a bygone era whilst fusing 21st century superyacht technology and the requirements of today's owner.

From the waterline upwards she truly inherits the design features of William Fife. Below the waterline is a computer generated canoe body, keel and rudder; thus ensuring maximum performance under sail and efficiency under power. The underwater profile works in direct harmony with the rig and sail plan whilst continually retaining the fine aesthetics of William Fife's Big Class yachts of yesteryear.
